ORDER RE: MOTIONS IN LIMINE

The Court has received the joint statement of the parties regarding the motions in limine filed by the government: (1) to permit impeachment of defendant through the use of his prior felony convictions; and (2) to preclude the defendant (but not the government) from using defendant's prior out-of-court statements in the government's case in chief. Since the defendant indicates non-opposition to either motion, they are **GRANTED**. With respect to the prior convictions, the government is to provide the Court with an appropriate limiting instruction.

IT IS SO ORDERED.
